

Welcome to Westside!

We are glad you are here! Children are one of God's greatest gifts and are highly valued at Westside. We take special care for their safety and education.

The preschool ministry is here to help young children begin to build their spiritual foundation. We want to help young children learn from the very beginning what it means to "Love God, love others, and serve."

Much of a child's development occurs between birth and the age of five. Therefore, it would make sense that this would be the perfect time for them to begin to hear about who God is, how much He loves them, and the truth of His Word.

The preschool ministry desires to be much more than merely childcare during services. We hope to teach important truths in a fun and interesting way.

We strive to have consistent Sunday School teachers as well as additional caregivers and parent volunteers to help with the care and education of your child while they are in the preschool area.

Our evening and weekday ministries were also developed specifically with preschoolers in mind.

We have established policies to create a secure & safe learning environment for all the children and peace-of-mind for you, their parents.

If you have any questions please stop by the preschool desk. We would love the opportunity to meet you.

Sharing His Love,  
Preschool Staff
